Serving International Graduate Students at Rutgers University
ISAC is the International Student Affairs Committee of the Graduate Student Association at Rutgers, New Brunswick.

Our goals are:

- **To create a welcoming atmosphere for new students.** We help at international student orientations and sponsor functions designed to welcome those students. We have online guides to help you find information on topics such as housing, local shops and how to get a driver’s license.

- **To encourage continuing contact and friendship between international graduate students.** We hold bi-weekly “Multicultural Social Hours” where students can socialize over Pizza.

- **To create a network whereby graduate students optimize time and resources while assisting each other.**
  
  - *ISAC Carpools:* We carpool for grocery shopping!
  
  - *ISAC Recycles:* We hold Recycle Drives and stay green!

- **To work with other Rutgers offices to enhance the life of international graduate students.** We work with CIFSS, Rutgers Counseling and others to provide services for students. We are also involved with students groups working on issues such as graduate housing and US visa reform.
